Section 11. Additional Information Required by Section 3.009 of the Election Code.

(a) District's Outstanding Debt. As of the effective date of this Order, the District's aggregate principal amount of outstanding of tax-supported debt was \$5,875,000 and the aggregate amount of outstanding interest on such tax-supported debt was \$1,044,375. The District's total ad valorem tax rate for the current fiscal year is \$0.9972, which is comprised of a maintenance and operations tax rate component of \$0.7976 per \$100 of taxable assessed valuation and a debt service tax rate of \$0.1996 per \$100 of assessed valuation.

(b) Issuance of New Debt. The District intends to issue the bonds authorized by the Proposition over a period of years in a manner and in accordance with a schedule to be determined by the Board based upon a number of factors, including, but not limited to, the then current needs of the District, demographic changes, prevailing market conditions, assessed valuations of property in the District and management of the District's short-term and long-term interest rate exposure. Market conditions, demographics and assessed valuations of property vary based upon a number of factors beyond the District's control and the use of variable rate debt involves periodic adjustments in interest rates that vary based on market conditions and contractual obligations. Therefore, the District cannot and does not guarantee a particular interest rate or tax rate associated with the bonds authorized by the Proposition. As such, the information contained in this paragraph is provided solely for illustrative purposes and does not establish any limitations or restrictions or create a contract with the voters. The District estimates that, based on the District's current taxable assessed valuation, current market conditions and estimated future growth in the District's taxable assessed valuation, if all of the bonds authorized by the Proposition were issued in accordance with the District's current project finance plan, the maximum interest rate on the bonds is not expected to exceed 4.00%.

(c) Additional Information. The additional information required by Section 3.009 of the Code is located in Sections 2 and 3 of this Order.

Section 12. Voter Information Document. The Board hereby approves a voter information document for each Proposition (collectively, the "Voter Information Documents"), in substantially the forms presented to the Board, with such changes as may be approved by the President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, in consultation with the District's general counsel, bond counsel, and financial advisor, as prescribed by Section 1251.052(b), Texas Government Code.

The President of the Board, the Superintendent of the District, or their designee, acting on behalf of the Board, is further authorized and directed to post or provide for the posting of the Voter Information Documents in the manner provided under Section 9 of this Order, and additionally on the District's website in an easily accessible manner beginning not later than the twenty-first (21<sup>st</sup>) day before the date set for the Election and ending on the day after Election Day.

Section 16. Findings and Determinations. The Board finds and determines that the facilities and equipment to be acquired, constructed, renovated or equipped pursuant to Proposition A are predominately for required classroom instruction and essential administrative operations for faculty and staff, stadiums with seating capacity for less than 1,000 spectators, gymnasiums, playgrounds or play areas, equipment used for school security purposes, and/or technology infrastructure integral to the construction of a facility.

Section 17. Severability.
