8. Newly elected officials who have recently retired from the county cannot draw their retirement because they have an arrangement to return to work for the county. Also, an employee cannot retire from the county with an arrangement to begin work as an independent contractor either.

9. Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. 19. The county shall send a request for medical certification to an employee who has been out of work for three or more days to determine the employee's FMLA eligibility. The employee is requested to have his or her physician complete and return the medical certification within 15 days of the employee's receipt of the form to be eligible for FMLA. An employee's failure to return the medical certification may result in denial of FMLA by the county.

20. The county may request re-certification for intermittent or reduced schedule leave every six months in connection with an eligible absence.

25. The county may ask for a second opinion from a health care provider of the county's choice, at the expense of the county, if the county has reason to question the certification, unless the leave is necessary to care for a seriously injured or ill covered service member supported by an invitational travel order (ITO) or invitational travel authorization (ITA) to join an injured or ill service member at their bedside.

26. If there is a conflict between the certification submitted by the employee and the second certification obtained by the county, the county may require a third certification, at the expense of the county, from a health care provider agreed upon by both the employee and the county. 30. The county has no obligation to reinstate an employee who takes more than the 12 weeks of leave allowed under this policy, or who elects not to return to work after using the maximum leave allowed, including an employee with available sick or vacation leave.

HUTCHINSON COUNTY
POLICY ON FAMILY AND MEDICAL LEAVE (Cont.)

REPAYMENT OF BENEFITS:

HUTCHINSON COUNTY
POLICY ON MILITARY FAMILY LEAVE

On January 28, President Bush signed into law the National Defense Authorization Act for FY 2008 (NDAA), Public Law 110-181. Section 585(a) of the NDAA amended the FMLA to provide eligible employees working for covered employers two important new leave rights related to military service:

QUALIFYING REASON FOR LEAVE:

1. Eligible employees are entitled to up to 12 weeks of leave because of “any qualifying exigency” arising out of the fact that the spouse, son, daughter, or parent of the employee is on active-duty or has been notified of an impending call to active-duty status, in support of a contingency operation. By the terms of the statute, this provision requires the Secretary of Labor to issue regulations defining “any qualifying exigency.” In the interim, employers are encouraged to provide this type of leave to qualifying employees.

LEAVE ENTITLEMENT:

2. An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active-duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the service member. This provision became effective immediately upon enactment. This military caregiver leave is available during “a single 12-month period” during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

Additional information on the amendments and a version of Title I of the FMLA with the new statutory language incorporated is available on the FMLA amendments Web site at

http://www.dol.gov/esa/whd/fmla/NDAA_fmla.htm.
